Re: MUR 5887 (Republican Main Street Partnership)

Dear Mr. Jordan:

We recently received from your office a copy of a document containing additional information pertaining to a complaint filed against the Republican Main Street Partnership by the Club for Growth ("CFG") in December 2006 with the Federal Election Commission. This letter is to inform you that the response previously filed by the Republican Main Street Partnership with the Commission in response to the original CFG complaint covers the issues addressed by the CFG in this amended complaint. The CFG amended complaint does not add anything to this case. As explained in the response previously submitted, the Republican Main Street Partnership did not engage in any federal election activities in Congressman Schwartz's primary campaign in 2006.

Respectfully,

Audrey Perry
